

kyoo™

# Excellent patient care begins from manageable waiting times.

Kyoo provides patients with ease in queueing and a better healthcare experience — reducing perceived wait time, and improving patient management.

## Benefits

### Easy Patient Queueing

Smartly manage long lines via kiosk or online queue

### Real-time Notifications

Provide queue status updates to your patients

### Queue Monitoring

See your queue analytics via dashboard or reports

### Digital Signage

Display ads and queue status to ease customers

### Excellent Customer Experience

Improve customer experience by reducing their waiting time and allow businesses to reach out to their customers through notifications.

### Hassle-free Business Management

Allow partner merchants to maintain their account information and control business settings.

### Innovative Solution

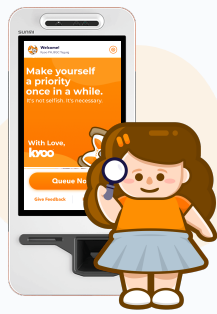

Kyoo is an innovative product that creates value that will benefit both the business and its clients by providing insightful data to improve customer wait times.

### Economic and User Friendly

An easy to manage solution valued at a reasonable price while keeping usability easy.

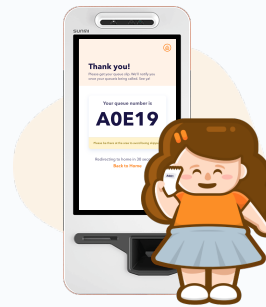

# How to Queue

**1** **Select Service**  
Select which service or transaction type

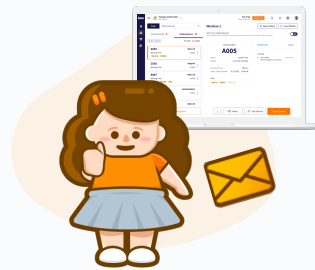

**2** **Enter Details**  
Fill up name or mobile number

**3** **Details Summary**  
Kiosk shows the summary of patient's details.

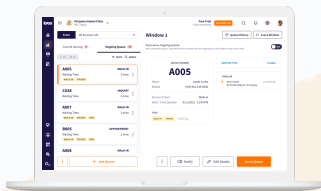

**4** **Get Notified**  
Receive an SMS notification regarding your queue status

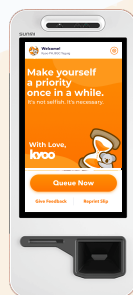

**5** **Queue is Served**  
Once served, staff will complete the queue or selects the next procedure. **Done!**

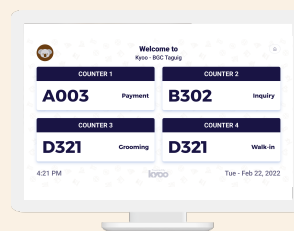

# Platforms

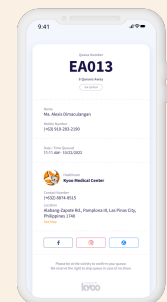

**Business Portal**  
Web-based solution to manage queues, team, or branch

**Kyoo Kiosk**  
Self-service kiosk for walk-in visitors

**Digital Signage**  
TV Display showing the current serving queues

**Virtual Queueing**  
Visit the branch URL or scan the QR code to queue online
